BRIEF

Company History

Chicago, long known as the Windy City, has become world-renowned as a food mecca, known for its diverse culinary offerings. Devanco Foods manufactures two of the most popular items that originated right here in Chicago – Gyros and Italian Beef with an ever-growing product list. Established in 1993, Devanco Foods is Family Owned and Operated with over 100 years of experience collectively in the Food Manufacturing business. We pride ourselves on making the best of the best. We take our dedication to flavor and quality seriously and require nothing but the best for our partners. With demand from our customers for a larger variety of quality products, Devanco expanded its offerings in 2018 by acquiring:

- Zacca Hummus - The only true Farm to Table Hummus
- Gridley Meats - Full Line of Halal Beef and Deli Items
- Eleni's Plant-Based Products - Plant-Based Meat Alternatives and in 2019:
- Schmacon™ - Certified Angus Beef® brand Beef Bacon

We are proud to say our company is focused on serving the highest quality products available while providing outstanding 24/7 customer service!

Capabilities Overview

Food Safety Standards

In 2018, we moved into a brand new and a state of the art production facility that is 105,000 sq ft. with over 15 production and packaging lines with room to expand as business grows. the facility is equipped with real-time inventory management systems, electronically monitored led lighting, ovens, chillers, freezers, an IQF tunnel, a guest kitchen, automatic floor sanitation, and more.

Certificates: SQF, HACCP, PCQI, Halal, Kosher on Select Items, Non-GMO, FDA Approved, USDA Grant of Inspection

At Devanco Foods, we take our certifications and inspections seriously. we want our customers to know we can be trusted to provide quality products that are safe for all! some of our certifications include SQF, HACCP, PCQI, Halal, Kosher (select items), non-GMO (select items), and more. With this, we have a USDA grant of inspection and are inspected daily. we are also an FDA approved facility.

1993

Devanco Foods was established in 1993 by George Apostolou. The name was formed as a combination of his two son's names Deno and Avangelo to signify the combination of Greek and Italian Foods.

ELENI'S PLANT-BASED PRODUCTS

Plant-Based Meat Alternatives

Zacca[®]

ZACCA HUMMUS

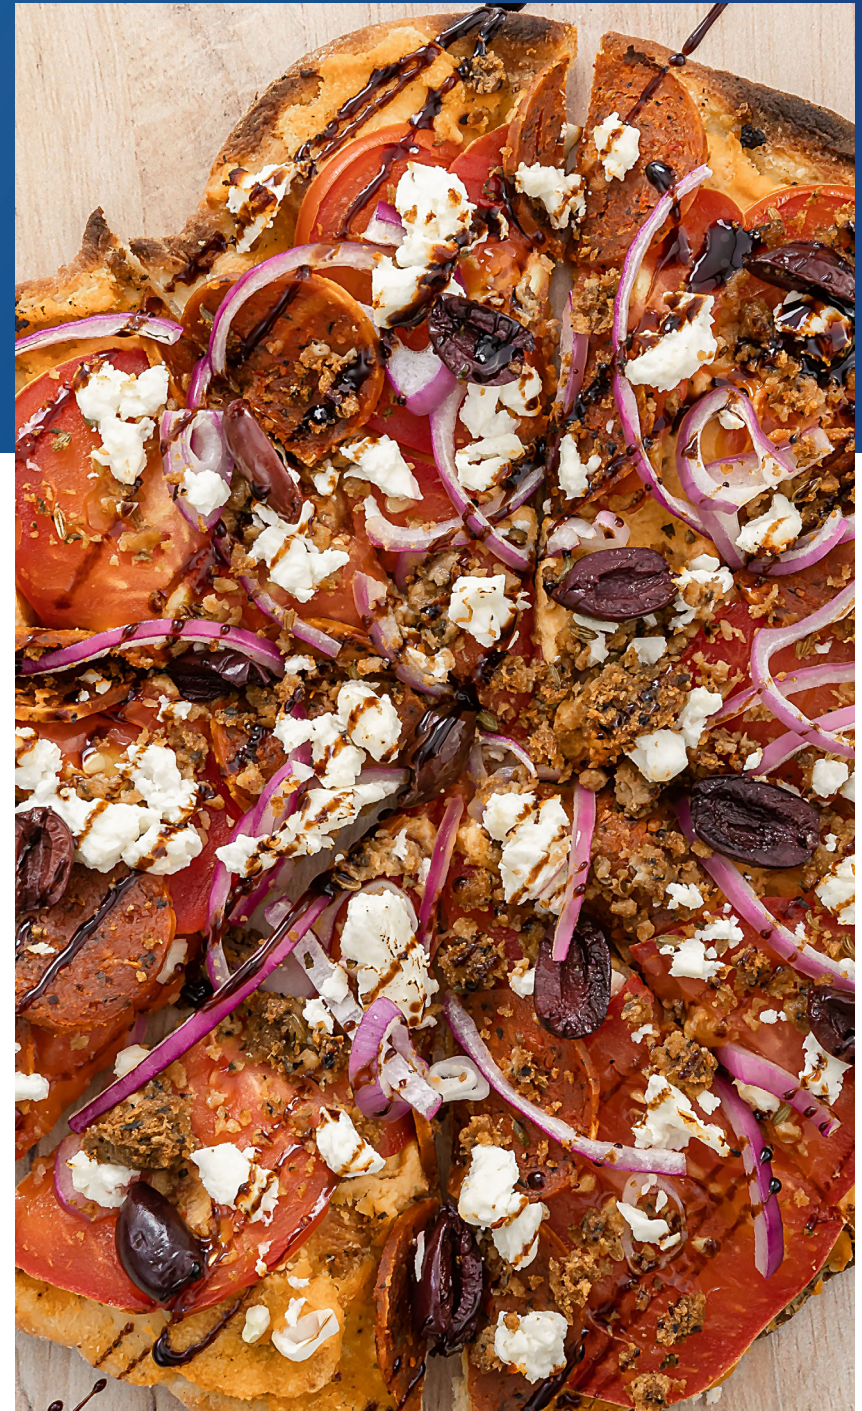

Zacca Hummus is a true farm to table hummus. Made with Sustainably grown Garbanzo Beans straight from our family-owned farm. It has a unique taste and texture making it the perfect plant-based choice for dips & spreads.

We have closed the gap between “store bought” and “homemade taste” by using High Pressure Processing (HPP) to maintain the quality and integrity of our products

ELENI'S PLANT BASED PRODUCTS

Eleni's Plant-Based products focuses on providing healthier and cleaner plant-based meat alternatives to our customers and yours. Products like Plant-Based Gyro Slices, Philly Steak, Falafel, Pepperoni and more to come soon!

GRIDLEY MEATS

Gridley Meats offers a full line of Halal Deli Meats meet the needs of any customer. We are a Halal certified and a pork-free facility and DNA test all of our products. From beef sticks, beef pepperoni, beef bacon, and more.

SCHMACON™

SMOKED UNCURED BEEF

SCHMACON™

Schmacon™ is both the brand namesake and the patented process for producing all of our bacon products at Devanco foods. We product both cured and uncured bacon under many brands, including our premier Certified Angus Beef brand uncured Beef Bacon. Distributed nationally and internationally.
